parjanya.me · ps137@illinois.edu · linkedin.com/in/parjanya-s · github.com/Wizards-god

EDUCATION

University of Illinois Urbana-Champaign
B.S. Computer Science · Minor in Mathematics

Aug 2026 – May 2030 (expected)
Urbana, IL

Coursework: Introduction to Computer Science I (CS 124), Discrete Structures (CS 173), Calculus III (MATH 241) placeholder

High school placeholder 2026

Add your school, board and graduation year

EXPERIENCE

Undergraduate Researcher, Research group placeholder

Sep 2026 – Present

Urbana, IL

- Placeholder entry to show the layout. Replace with a real role, or delete this file.
- Lead with what you did and what changed because of it, with numbers where you have them.
- Keep each bullet to one line on desktop if you can.

Member, Student org placeholder

Sep 2026 – Present

Urbana, IL

- Placeholder entry. Clubs, competition teams and TA roles all fit here.
- Mention the scope (team size, events run, people taught).

Intern, Summer role placeholder

Jun 2026 – Aug 2026

Remote

- Placeholder entry with an end date, which shows as a closed range instead of "Present".
- Replace with a real internship, job or research program.

PROJECTS

parjanya.me Astro, TypeScript, Tailwind CSS, SVG

Sep 2026

This site. A static, multi-page personal site whose intro types my name and then zooms through the hole in a letter, with shutter page transitions and a curtain theme switch.

Limit order book simulator C++, Python placeholder

Sep 2026

Placeholder project that shows the case-study layout. Swap in a real project, for example a matching engine with price-time priority and a latency benchmark.

Monte Carlo option pricer Python, NumPy placeholder

Aug 2026

Placeholder project. A slot for a quant project, for example pricing European options by simulation and checking convergence against Black–Scholes.

Cyber Safety for Kids HTML, CSS, JavaScript

Aug 2022

A multi-section website that explains the basics of staying safe online to children, with a light/dark theme switch written in plain JavaScript.

SKILLS PLACEHOLDER

Languages

Python, C++, TypeScript, HTML/CSS

Tools

Git, Linux, Astro

Math Probability, Linear algebra, Calculus

AWARDS

William Lowell Putnam Mathematical Competition

placeholder

Dec 2026

Mathematical Association of America

Add an award or competition

placeholder

May 2025
